Principal
Lenoir Rhyne College

Ever since 1946, Mr. R. W. Starnes has been the axis of Granite Falls High School around which the life of the pupils and teachers revolves.

Every morning there is a mad scramble in his office with students obtaining excuses signed by him and teachers collecting their records. During the day Mr. Starnes is busy advising the pupils and carrying on the routine work of the school.

His character and strength work their way to the hearts of the students of Granite Falls High.

"Green" freshmen; "silly" sophs; "jolly" juniors; "dignified" seniors; these adjectives apply to none of us all the time and to all of us some of the time. Each class pursues its particular program, combining activities that are fun-making and fund-raising, vying with other classes in keen, wholesome competition; however, as a student body, the classes lose their individualism, and it's "All for one and one for all"--the true spirit of Granite High.

Mrs. Martin hard at work on the annual.

Homecoming . . . various football games, basketball, plenty of rain as usual and extremely cold weather . . . a last fling at exams . . . Junior-Senior Banquet and fond farewells . . . the evolution of the social phase of our life for four years . . . days and dates to remember.

FEATURES

Twyla is active in many phases of high school life. She is a beauty, not only in looks, but in character, in her actions, and in her associations with her fellow students.

This year the students of Granite High elected as Homecoming Queen the very attractive Miss Twyla Helton.

For our representative to the Carrousel Parade which is held annually at Charlotte, the Trade Association of Granite Falls chose Miss Twyla Helton on the basis of personality and beauty.

A black and white portrait of a young woman with short, dark, curly hair, smiling. She is wearing a light-colored, sleeveless dress. The background is a soft, out-of-focus grey. The photo is mounted on a green textured card.

ESCORTS AND SPONSORS

At Homecoming, each football player is privileged to choose one girl to sponsor him. This is one of the highest honors a high school girl can wish for. The football player and sponsor then choose an escort for the sponsor. During the Homecoming Parade, these sponsors and escorts ride in decorated cars. At the half time of the Homecoming game the sponsors and escorts are presented.

A time for each student to participate in the fun which a school provides is presented to us in the form of activities. Naturally, there are other things included in activities other than the fun it provides . . . a contribution by everyone for the benefit of the club and its projects . . . a feeling of belonging . . . a last feeling of contentment knowing that the time spent by everyone in preparing these activities was well worth-while.

STUDENT COUNCIL

The Student Council is an organization designed to govern and advise the student body. It is composed of the principal, a teacher, and delegates from each class. Each class elects its own representatives and the student body elects the president and vice-president. The secretary is chosen by the Student Council members.

ANNUAL STAFF

Behold a resume of a year's hard work . . . littered desks, photos to be taken, captions to be written, ideas to be pondered. So it went. While Judith headed the editorial staff, the business staff looked for ads, allowing Frankie and Tony to acquire that "Midas touch," and causing Mrs. Martin to assume that drawn look. We hope you can look back over the annual and recall 1961, which has affected our lives deeply . . . the faces and places you see . . . and things you didn't want to be forgotten, and this Boulder, the reflection of G. F. H. S. and its students.

JUNIOR MARSHALS

The cream of the crop . . . our Marshals are eight junior members of the Beta Club and are elected on the basis of scholastic ability. Ushering at graduation and at the Baccalaureate are their two most important duties.

BETA CLUB

"All work and no play makes Jack a dull boy" is a statement shunned by the Beta Club members. By working hard together, they strive and achieve their scholastic average of 90 and an A on conduct, and by promotion of a higher level of standards, they emerge better students.

NEWSPAPER STAFF

Betty and Elaine work hard in order to put out our paper.

The trials and tribulations of publishing a newspaper can be truly known to only those students who live with the Granite Pebble. The continuous cycle of getting assignments, seeking the news, composing articles to convey this news, making up the paper, and finally seeing the finished product is well-known to the staff. What to do when stories do not come in, when copy runs short, when pictures fail to print--all these situations have been competently handled by Betty in her efforts to get the job accomplished.

FRENCH CLUB

The French Club is a club organized and participated in by students who are taking second year French. It is an extremely interesting and highly educational club. Its purpose is to create an interest in studying French and to enable us to learn as much as possible about the French people and their language. The French Club holds regular meetings and programs in which all members participate and talk in French as much as possible.

In our school we have the Allied Youth, an educational organization specializing in alcoholic education. Through its efforts, it has brought about an awareness of the problems which come about as the result of alcohol in the lives of young people and adults.

By joining the Allied Youth, the young people in this organization have shown their interest in a desire to solve the problem. They have proved that fun and happiness can come from sources other than through the effects of strong drink.

Through the joint efforts of the Allied Youth members, we sincerely hope that this organization has been and will be an important factor in the betterment of our school.

LIBRARY CLUB

During the latter part of September, 1960, we organized Granite Falls High School's first library club. Our main project for the year was a week set aside to try to increase each student's appreciation of the library. During "Library Appreciation Week", many posters were made encouraging students to use the facilities which our library offers. Mrs. Walker and her assistants are always on hand to help with the selection of books. "Library Appreciation Week" not only helped students appreciate the library more, but also, to understand it better.

OFFICE HELP

The office staff of Granite Falls High School is composed of junior and senior girls. They are very efficient in doing general office work and other duties that must be performed for the faculty and the principal. This practice is very helpful to the girls in their future as businesswomen. The office staff is very much appreciated by everyone at G.F.H.S.

One of the many necessary reports coming from the office is typed by Donna Fox.

FUTURE FARMERS OF AMERICA

Granite Falls Chapter of Future Farmers of America has their largest enrollment this year. Chapter Officers are as follows:

| | |
|--------------------------|-----------------|
| President | Jerry Burns |
| Vice-President | David Weaver |
| Secretary | Spencer Poovey |
| Treasurer | Folger Teague |
| Advisor | W. H. Corpening |

Two thirds of the year consists of studying local and state problems in agriculture. One third is devoted to studying woodworking in shop work. Shop work is handicapped some by classes being too large for best results, also suitable lumber is expensive.

Michael is learning to operate the saw in the shop.

Vernon Yount, Jerry Burns, Kenny McRary, Clyde Keller, Marvin Williams, Gary Williams.

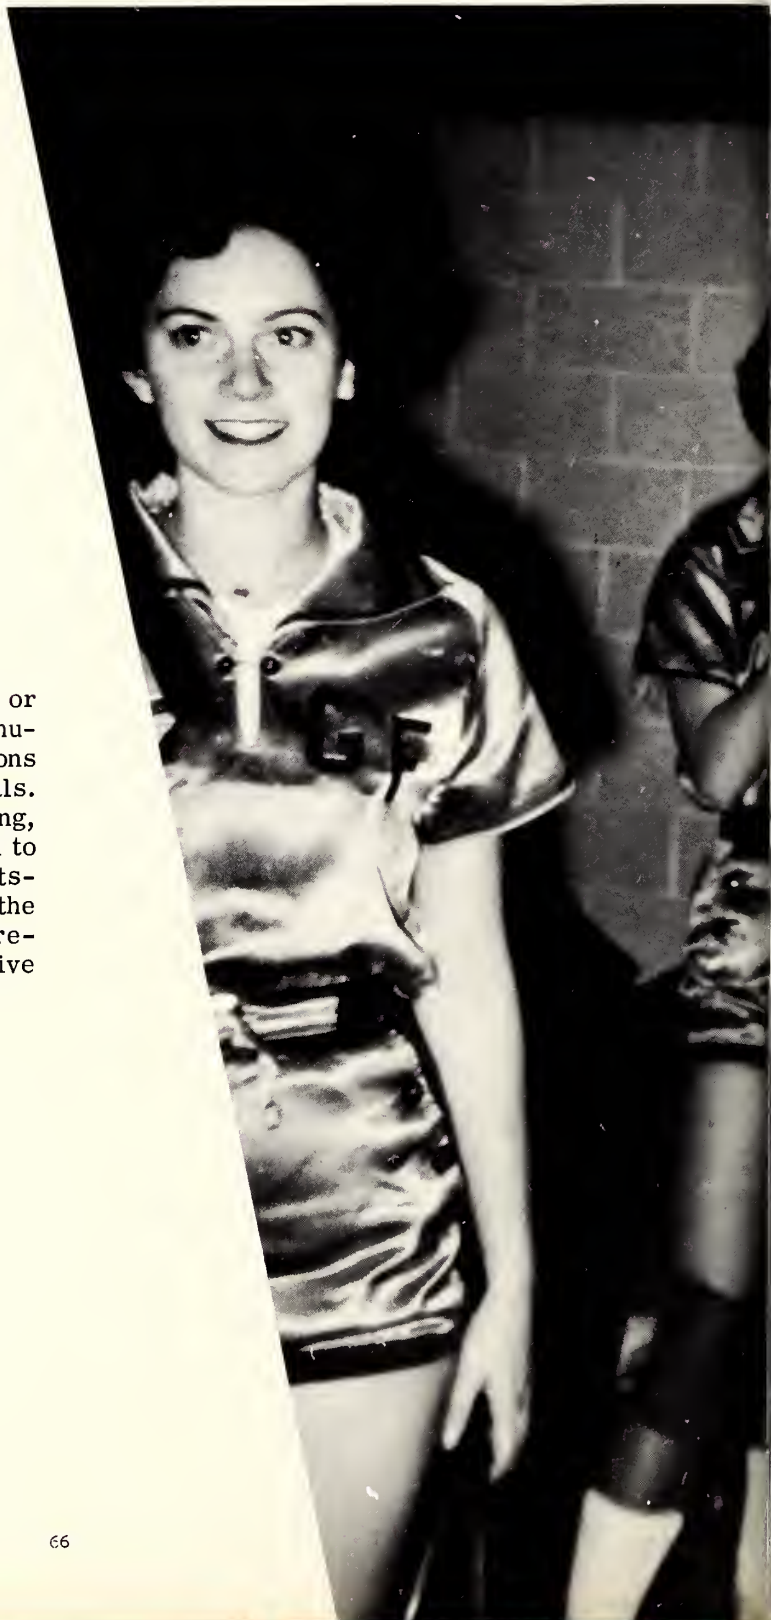

BUS DRIVERS

The many students who ride the bus to school each day owe a great deal to the group of boys who serve as bus drivers. This job takes careful driving, quick thinking, and much patience. The bus drivers know well their responsibility, and their job is well done.

As a bus driver for G.F.H.S., Kenny must always look at the road ahead of him.

The thrills and sorrows of winning or losing a game is demonstrated by the enthusiastic students at the athletic competitions between Granite Falls High and their rivals. Although everyone prefers winning to losing, we know that it takes a far better person to accept defeat with a display of good sportsmanship than it does a winner. May we, the student body, as well as the players, remember this as we enter into competitive sports.

ATHLETICS

Bottom: Karen Beane, Willa Parham, Judie Wilson, Teena Wilson. Top: Patsy Wike, Vicki Yount, Donna Dula.

CHEERLEADERS

Rah . . . Rah . . . Rah! Rah! Rah! What's a school without school spirit? And where would our school spirit be without our cheerleaders. Chosen by their classmates, they are well qualified to lead the cheers which give our teams the confidence they need to win.

With Willa Deane Parham leading the pack as head cheerleader, they give us plenty of support for our teams on the field and the court.

COACHES

COACH DEAL

We are very proud to have as our athletic director and girls' basketball coach, Mr. Sinclair Deal. Coach Deal is a graduate of Newton-Conover High School, where he lettered in football and baseball. For his higher education he attended Brevard Junior College, Lenoir Rhyne, and has a M. A. Degree from Appalachian State Teachers College. Before coming to Granite Falls he taught for two years at China Grove High, one year at Statesville, and one year at Ruffin High. Coach Deal has been a member of the faculty here since 1947.

COACH KIRKPATRICK

A well-known face around Granite Falls High is that of Coach Don Kirkpatrick. He is a graduate of Albemarle High School, where he lettered in football, baseball, and basketball. After attending Lenoir Rhyne, where he lettered in football and track, he spent one year teaching at Taylorsville High. He has been at Granite Falls for the past seven years, where he has become our head football coach. We are very proud to have Coach Kirkpatrick as a member of our coaching staff.

COACH HENRY

Coach Robert Henry is the head basketball coach and assistant football coach here at Granite Falls. He received his high school education at R. J. Reynolds High School in Winston-Salem where he played football, basketball, and baseball. After a four year hitch in the Navy, he enrolled in Lenoir Rhyne, where he lettered in basketball and football. Mr. Henry has made many friends here during his four years of teaching, as a coach, person, and teacher.

Foard at Granite

The Blue Demons' first outing of the year was against underdog Fred T. Foard Tigers. The fired-up Foard boys turned a short Granite punt into its only score. The score remained 6-0. The entire last half of the ballgame was played in a driving rain.

Sponsored By: Wilson & Abernethy Hardware

Hildebran at Granite

The Granite boys lived up to their pre-season reputation in this game after a poor showing in their first game. Lail and Poovey were the workhorses on offense as the Demons won 32-0. Tom Bryant sparkled on defense with a 65 yard pass interception.

Granite at Bandys

The Bandys Trojans proved to be a little more than Granite expected, but the Demons were still successful against them. With Lail again supplying the running power, Granite won over the Trojans 20-6.

Maiden at Granite

Conference Champs this year, the powerful Maiden team proved too much for the Demons. After a scoreless first half, the Maiden team won 21-6. Led by Harold Fish, Maiden turned two short punts and an intercepted pass into T. D.'s. Tommy Mull broke loose on a 70 yard scoring dash for Granite's only tally.

Granite at St. Stephens

St. Stephens, with a record of never having lost a Homecoming game, proved this year to be no exception as they won 13-0. After a 1st quarter march had failed for the Demons, the rest of the half was played mostly between the 30 yard stripes. The Demons were never able to score.

Sponsored By: Hickman Hardware

Granite at Appalachian

Led by All-State Halfback King Triplett, the Appalachian Blue Devils rolled to a 35-0 victory over a stunned Granite team. The Granite boys were never able to muster a serious threat. Appalachian was runner-up in the State AA playoffs this year.

Highly favored Gamewell received its first loss in two years in the District 7-AA conference this year at the hands of the Demons. The Granite line played its best game of the year in the 14-13 upset of the last year Conference Champs.

Granite at Elkin

Always powerful Elkin came close to becoming Granite's 4th victim of the year. Passes to Steve Holloway, Shrine Bowl end, set up both of Elkin's scores. Tommy Mull and Bill Poovey scored for Granite which made the score 14-13. Granite missed one of its extra points for the margin of victory.

Granite at Hudson

Traditional rival Hudson, always a power in their AAA Conference, was Granite's next opponent. Scatback Alan Gilbert accounted for most of Hudson's scoring in their 46-13 romp over the Demons.

Granite at Bunker Hill

In their last game of the season, the Blue Demons finished an unsuccessful season with a 12-6 victory over the Bunker Hill Bears. Eric Mackie scored the winning T. D. on a pass interception. Granite's defense played its best game of the season against the Bears.
